WORLDS OF THE 15TH CENTURY—READING GUIDE

The Islamic World of the 15th Century

What was the long-term significance of the Safavid Empire?

Why was there frequent conflict between the Ottoman and Safavid empires?

How was the Mughal Empire in India similar to Songhay in Africa?

How did the Mughal government deal with its religious diverse population and keep them out of conflict with one another?

Europe c. 1450

Briefly describe the Renaissance (don't forget to discuss the impact of rich people!) and WHY it is a big deal in World History.

Did China's withdrawal from maritime voyages help or hurt European exploration? Explain.

Chinese & European Similarities

Below explain THREE (3) similarities between Chinese and European state building techniques in the 15th Century.

1.

2.

3.

WEBS OF CONNECTION — In this space take brief (only in this box!) reading notes for pages 529—531.
